JOIN OUR KIDS CLUB AND MAKE A DIFFERENCE

Make a difference in an orphaned child's life today when you purchase one of our wrist bands for only R50! Not only will all the proceeds go to supporting our Langkloof Orphanage fund, but your child will have access to our Dream Xplorers kids club for the duration of your stay!

The scheme started in 2002 with 50 AIDS orphans in the backyard of a rural home in Langkloof, a village a few kilometers from Little Switzerland Resort.

The past 16 years have seen the scheme grow from its humble beginnings to the Langkloof Orphans Fund (a section 21 company). The fund now boasts a community hall, playground, crèche, pre-primary school, fully equipped kitchen and diningroom, electricity, running water, flushing toilets, hydroponic vegetable project, a combination of a netball, basketball and soccer court and full-time security.

In addition, the fund has been instrumental in providing a feeding scheme that nourishes over 450 children daily as well as donating a computer centre and library to Amaphisi High School.

The generosity of so many both locally and abroad, have contributed to the success of this project. Your contribution can change lives.
